Absent an agreement, no reduction or elimination of statutory guarantees of benefits included in this Agreement shall apply.

ARTICLE 9 GRIEVANCE PROCEDURE

9.1 Definitions

- 9.1.1 A “grievance” is a claim by one or more unit members or the Association that there has been a violation, misinterpretation, or misapplication of a provision of this Agreement.
- 9.1.2 The “grievant” is the Unit Member, Unit Members, or the Association making the claim.
- 9.1.3 A “party in interest” is any person who might be required to take action or against whom action might be taken in order to resolve the grievance.
- 9.1.4 Day(s) means day(s) during which unit members are required by contract to render service.
- 9.1.5A “Grievance Form” shall mean a mutually agreed upon form, completed and signed by the grievant within fifteen (15) days of the occurrence or within fifteen (15) days of when the grievant should reasonably have known of the occurrence, act, or omission giving rise to the grievance.

9.2 Procedure

Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

9.2.1 Level One Immediate Supervisor

- 9.2.1.1 A grievance shall be presented in writing to the immediate supervisor using the grievance form, with a copy simultaneously provided to the Association if the grievant is not the Association. The immediate supervisor shall meet with the grievant and/or designated Association Representative within five (5) days of receipt of the grievance. The immediate supervisor shall provide a written response of the grievance, including the reasons

therefore, to the Association and/or grievant within five (5) days of such meeting.

- 9.2.1.2 If the Association and/or the Grievant is not satisfied with the written response of the grievance, or if no written response has been provide within five (5) days of such meeting or five (5) days from the date of presentation of the grievance, the grievance may be appealed to Level Two, with a copy simultaneously provided to the Association.

9.2.2 Level Two Mediation

- 9.2.2.1 If the grievant and/or the Association is not satisfied with the disposition of the grievance, or if no disposition has occurred pursuant to the provisions of Level 1, the grievance shall be referred to grievance mediation. The Association shall request that a conciliator/mediator from the California State Mediation/Conciliation Service, or from any other mutually agreeable recognized dispute resolution center, be assigned to assist the parties in the resolution of the grievance.

- 9.2.2.2 If an agreement is reached, the agreement shall be reduced to writing and shall be signed by the grievant, the Association, and the District. This agreement shall be non-precedential and shall constitute a settlement of the grievance.

- 9.2.2.3 In the event that the grievant, the Association, and the Superintendent or his/her designee have not resolved the grievance with the assistance of the conciliator/mediator within ten days from the first meeting held by the conciliator/mediator, the Association may terminate Level 2 and the grievance may proceed to Level 3.

9.2.3 Level Three Binding Arbitration

- 9.2.3.1 If the Association proceeds to arbitration, it shall notify the District in writing. Within ten (10) days of such notification, representatives of the District and the Association shall attempt to agree upon a mutually acceptable arbitrator and obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator within the specified period, the Association shall file a Demand to Arbitrate with the California State Mediation/Conciliation Service. The selection of the arbitrator and the arbitration proceedings shall be conducted under the Voluntary Labor Arbitration Rules of the American Arbitration Association.

- 9.2.3.2 The arbitrator's decision shall be in writing and shall set forth the findings of fact, reasoning, and conclusions of the issues submitted. However, it is agreed that the arbitrator is empowered to include in any award such financial reimbursement or other

remedies as she/he judges to be proper. The decision of the arbitrator shall be submitted to the Association and the District for implementation and will be final and binding upon the parties. If any question arises as to the arbitrability of the grievance, such question will be ruled upon by the arbitrator only after she/he has had an opportunity to hear the merits of the grievance unless the arbitrator rules otherwise.

- 9.2.3.3 All costs for the services of the arbitrator, including but not limited to, per diem expenses, travel and subsistence expenses, and the cost, if any, of a hearing room, shall be borne equally by the District and the Association. Concerning transcripts, the cost shall be borne equally by the parties if the transcript is requested by the arbitrator or both parties. If a copy of the transcript is requested by only one (1) party, that party shall incur the expense.

9.3 Time Limits

- 9.3.1 Time limits provided for at each level shall begin the day following receipt of the grievance appeal or written decision.
- 9.3.2 Since it is important that grievances be processed as rapidly as possible, the time limits specified at each level should be considered the maximum and every reasonable effort should be made to expedite the process. The time limits may, however, be extended in writing by mutual agreement.
- 9.3.3 In the event a grievance is filed at such a time that it cannot be processed through all the steps by the end of the school year, and if left unresolved harms a grievant, the time limits set forth herein shall be reduced so that the procedure may be exhausted prior to the end of the school year or as soon as is practicable.

9.4 Rights of Representation

- 9.4.1 A grievant may be represented at all stages of the grievance by an Association representative(s).

9.5 No Reprisals

9.6 Miscellaneous

- 9.6.1 When it is necessary for a representative designated by the Association to investigate a grievance or attend a grievance meeting or hearing during the day,

- 9.6.2 All documents, communications and records dealing with the processing of a grievance shall be filed in a separate confidential grievance file and will not be kept in the personnel file of any unit member.
- 9.6.3 If any unit member presents a grievance on her/his own behalf, the Association shall have the right to be present and state its views at all grievance meetings. The District shall not agree to a resolution of the grievance until the Association has received a copy of the grievance and the proposed resolution and has been given the opportunity to file a response. Only with the Association approval shall the grievance move to mediation and/or arbitration.
- 9.6.4 All documents resulting from a grievance shall be filed in a separate grievance file and shall not be kept in an employee's personnel file.
- 9.6.5 Time lines in this Article shall be computed from the day following the referenced event. Time lines in this procedure may be extended by mutual written agreement between the parties

9.7 Expedited Arbitration

12.1 Voluntary Reassignment

- 12.1.1 A reassignment is the movement of a unit member from one subject area to another subject area, one grade level to another grade level, or from one configuration to another such as team teacher, restructuring, or other reconfiguration within the same worksite.
- 12.1.2 A unit member may submit a Request for Reassignment form to the District when the District posts a vacancy notice pursuant to the posting procedure of this Article.
- 12.1.3 A Request for Reassignment form shall include the following criteria which the District will use to determine the unit member's qualifications for a given position:
- 12.1.3.1 Credentials and certifications of the unit member;
 - 12.1.3.2 Experience and training related to the position;
 - 12.1.3.3 Years of experience;
 - 12.1.3.4 Seniority in the District;

The foregoing factors are not in any priority order and if unit member fails to satisfy any qualification, based upon the sole discretion of the District, the request for voluntary reassignment may be denied.

- 12.1.4 If two (2) or more unit members with state required credentials and certification(s) who meet the posted vacancy qualifications for the position apply for a vacancy, the unit member with the greatest seniority shall receive the reassignment.
- 12.1.5 A reassignment request shall not be denied arbitrarily, capriciously, or for discriminatory or retaliatory reasons.

- 12.1.6 If a unit member's request for a voluntary reassignment is denied, the unit member, upon request, shall be granted a meeting with the administrator who denied the request to discuss the reasons for the denial. Following the meeting the unit member may request and shall receive written reasons for the denial, based on the criteria listed in 12.1.3.
- 12.1.7 Unit members returning from leave shall be afforded all rights provided under this section.

12.2 Involuntary Reassignment

- 12.2.1 If a decrease in the number of pupils or the elimination of program(s) and/or funding occurs, the District shall seek volunteers prior to making any involuntary reassignment. If an involuntary reassignment becomes necessary due to a lack of appropriately credentialed volunteers, the unit member with the least seniority with the appropriate credential and certification(s) shall be reassigned.
- 12.2.2 When two (2) or more unit members volunteer for the same vacancy, and are equally qualified based on the vacancy posting as per 12.4.2 the position shall be given to the unit member with the greatest seniority, based on the certificated seniority list reviewed and approved by the Association on an annual basis.
- 12.2.3 Unit members returning from leave shall be afforded all rights provided under this section.
- 12.2.4 Unit members who are reassigned during the work year shall be given 3 days of paid release time for preparation prior to the effective date of the reassignment. The District shall provide assistance in moving a unit member's material whenever a unit member is reassigned.

12.3 Notification of Assignment

Each unit member shall be given written notice not later than May 1 of the next year's assignment. Such notice shall specify the grade level, and subject area to which the unit member will be assigned. Such assignment may be modified pursuant 12.1 or 12. 2 or 12.4. The district will communicate special circumstances of student(s) pertaining to the assignment, including but not limited to IEP, 504, medical conditions, etc.

12.4 Vacancies

- 12.4.1 A vacancy is any position that does not have a unit member assigned to it. This includes any vacated, promotional, or newly created position, including positions created by reconfiguration or restructuring and any supplemental instructional programs offered by the District. Positions may be vacated by reassignment, resignation, retirement, termination or death.

12.4.2 Upon knowledge of vacancies, the District shall deliver to the Association and post a list of all vacancies which occur for the following work year. The vacancy posting shall contain the following:

12.4.2.1 A closing date which is at least five (5) working days following the posting date.

12.4.3 No assignment to fill the vacancy shall be made until after the closing date.

12.4.4 The District shall, upon request by a unit member, notify that unit member by mail of any posted openings which may arise during the summer recess, intersession or a period of leave. The unit member's request must be in writing annually.

12.4.5 The District shall, upon written request of the unit member, deliver in writing, within three (3) days the reasons for the unit member not receiving the vacancy, as correlated to 12.4.2.2 and 12.4.2.3.

12.4.6 No outside applicant shall be selected to fill a vacancy if there is a qualified unit member applicant who applies by the closing date posted on the vacancy notification.

12.4.7 Starting June 15 of any school year and ending one (1) week prior to the first contract day of the subsequent school year, job vacancies shall be posted simultaneously internally within the District as outlined in 12.4.2 and externally. The provisions of 12.4.6 are still applicable.

12.5 Seniority

12.5.1 For the purposes of this article only, seniority is defined as the unit member's initial date of service in the District.

12.5.1.1 Unit members with the same initial date of service shall have their seniority number determined as of the date of posting of the vacancy by:

- a. Number of Credentials;
- b. Number of Certifications;
- c. Number of post graduate units;
- d. If all of the above are equal the seniority will be determined by lot.

- 12.5.1.2 The lottery shall be conducted in the presence of at least two (2) Association representatives. Once the lottery is used to determine a unit member's seniority, that seniority shall remain in effect while in the service of the District.
- 12.5.1.3 If a unit member is assigned by the District to a non-bargaining unit position, that unit member does not accrue seniority for the purposes of this Article while working on such an assignment.
- 12.5.1.4 A unit member on an approved leave of absence other than to a non-bargaining unit position shall continue to accrue seniority for the purposes of this Article while on leave.

12.6 Members of the bargaining unit shall be assigned or reassigned to positions consistent with their credentials and major and/or minor subjects of study. Where such exceptions are permitted, they shall occur only by mutual agreement among the bargaining unit members affected, the Association, and the District.

12.4.7 Unit members have the option to switch assignments with one another if the following circumstances exist:

- 12.7.1 Both unit members meet the credentialing requirements of the positions.
- 12.7.2 Both unit members make the request in writing prior to May 1 when Notification of Assignments are due for the following school year.
- 12.7.3 Granting of the request to switch teaching assignments is solely at the discretion of the District.

ARTICLE 13 EXTENDED SCHOOL PROGRAMS

13.1 Summer School

- 13.1.1 Summer school rotation will be offered to all certificated employees by seniority. New certificated employees will be added to the list at the date of hire. Any certificated employee leaving the District will be removed from the rotation list.
- 13.1.2 By order or rotation, each teacher may choose any summer school section that is vacant. If an employee declines a summer school class, he/she will remain in their rotation cycle. When a teacher completes a summer school class, he/she will be placed at the end of the list for the following year.
- 13.1.3 Any teacher may choose to remain off the list by written request to the Association President and the Superintendent/Principal. The teacher by written request may re-enter the rotation list and be placed at the end of the cycle.

13.1.4 Seniority will be set forth in the list attached as Appendix A.

13.2 Summer School Student Contact Hours and Rate of Pay

13.2.1 Based upon the Small District Summer School Formula, the academic student daily contact time is a minimum of 3 hours and 45 minutes with a total of 1,500 student contact hours for the program. In the event a substitute is required, an amount equal to the current substitute daily rate of pay will be deducted from the employee's daily rate and applied to the substitute's daily rate of pay. Summer school teachers are required to work on campus 30 minutes before and 30 minutes after the students are dismissed.

13.2.2 This provision may be reviewed by mutual agreement between the District and the Association during odd numbered years.

13.3 Before and After School Remedial Days

13.3.1 Teachers may volunteer to teach extended school days on a rotational cycle at approximately 12 week intervals. The rotational cycle shall be based on seniority in the District. It is the responsibility of the Association to maintain a list of teacher candidates and to permit a teacher to reject the opportunity to teach one time before losing his/her seniority position on the rotational cycle. If a teacher returns to the rotation, the teacher shall be placed at the end of the seniority list. A copy of the seniority list shall be updated annually and kept in the school's office. Teachers will be reimbursed for each after school remedial session at a daily rate calculated on the salary schedule at column 4, step 10. Each session with students is for one hour with an additional 15 minutes preparation. This provision may be reviewed by both parties during even years beginning in September, 2006.

13.3.2 If members are unavailable to teach, the District may offer the position to a certificated employee outside of the District's payroll.

13.3.3 For each hour of instruction, a teacher shall be paid for an additional 15 minutes of prep time. The prep time shall consist, but not be limited to, grading, planning and other teaching strategies related to the program. The daily time for reimbursement shall not exceed 1 1/4 hours.

13.4 Teachers shall be reimbursed at the hourly rate specified in Article 15.9. Time sheets for reimbursement should be submitted by the 15th of each month. This Article may be reviewed by both parties during odd numbered years.

ARTICLE 14 EVALUATION

14.1 Evaluations of Certificated Personnel

14.1.1 Standards for Evaluation
JTA

In the event that a deadline as prescribed in the negotiated agreement is missed by the evaluator, teachers and evaluator will proceed with evaluation as outlined for the purpose of coaching, and to improve the educational program and advancement toward attainment of District goals. In lieu of the Summary Evaluation Report and supporting documents, a written statement that the process and timeline had been violated by the district will be placed in the employee file.

The purpose of teacher evaluation is to improve the educational program in the Johnstonville Elementary School District and to advance toward attainment of the District's stated educational goals. The criteria to be used for evaluation shall relate specifically to the California Standards for the Teaching Profession and are set forth in Appendix B.

Prior to May 1, an employee may request in writing a sabbatical leave for the following school year. A sabbatical leave may be for one school year and subject to the approval of the Board of Trustees. The employee may continue with the district's medical benefits at the employee's expense. Payment for medical insurance must be paid 30 days in advance and by the first of each month. The district will notify the employee in writing that the insurance will be terminated by the end of the month when the payment is seven (7) days late. The employee must notify the administration in writing that he/she is planning to return to the district in paid status by February 1. By the same date, the employee may request in writing to the Board of Trustees a one year sabbatical leave extension.

19.12 Professional Development Leave

Teachers will be granted no less than three (3) days of paid leave to attend professional development trainings each school year. The professional development leave is in addition to district offered/assigned professional development offerings. The professional development leave must be in alignment with district goals/mission and jointly agreed upon by teacher and administration. The request for professional development leave must be submitted for approval by district administration no less than 1 month prior to the leave being taken for the professional development event. Professional Development days that are not used, will not be carried over from year to year. The cost of the Professional Development may be supported by district funds upon the approval of administration.

19.13 Attendance Incentive Plan

Plan is intended to reward regular attendance in order to improve the instructional program and reduce the costs of absenteeism. It is understood that any absences for illness or personal necessity, including those beyond the control of the employee, will adversely affect an employee's entitlements under this Plan. This Attendance Incentive Plan provides incentive payments which are intended to reduce employees' use of illness and personal necessity leave yet does not discourage the use of such leaves when appropriate and necessary; however, the Plan's incentive payments for annual unused illness leave do not reduce or otherwise affect the employee's accumulations of unused illness days or retirement service credit for unused illness days and have no impact upon vacation benefits.

19.13.1- Teachers who take no more than two (2) days of leave for any reason during the school year, other than school business which shall not be counted for the purpose of the Attendance Incentive, shall receive an incentive payment of \$350, paid to the qualifying employee in the month of June each school year

PEER ASSISTANCE AND REVIEW

The District and Association agree to establish a teacher support program for the purpose of developing and retaining employees who are new to the district, new to a grade level and/or existing teachers who request support. The teacher support program is intended to be a systemic support model accessing the skills, talents, knowledge and expertise of existing staff. The program will provide peer-to-peer coaching and is not evaluative in nature. Teacher support program is in addition to the induction program and is in no way to replace or conflict with that program or process.

New hires will be informed in writing of the opportunity for a peer mentor by the district as part of the hiring process. New hires will express in writing to administration interest in having an assigned mentor for the school year. Existing and/or returning staff will request a mentor for support no later than June 30th of each school year. A written request outlining area of focus and rationale for mentor support will be made in writing to administration.

Selection of the mentor will be the responsibility of the administration. Mentor positions will be posted as need arises for the position. The position will be posted in-house to all certificated staff for 15 calendar days. If the position becomes available during non- instructional time (summer months or vacation/holidays) eligible teachers will be notified by no less than two of the following methods: email, phone call and/or letter in the mail.

Mentors must have no less than 3 years teaching experience and demonstrate expertise and knowledge in effective instructional practice and/or specific content area. Certificated staff will submit to administration a letter of interest which must summarize qualifications, training and experience suited for the position. In addition to the letter of interest two letters of recommendation, at least one of which is from a teacher peer, will be submitted to administration.

Mentors will submit Teacher Support log (Appendix G) to administration at the end of each month.

The teacher support program will support both mentor and mentee. The teacher support program will include the following:

MENTOR will receive timely, on-going training throughout the school year provided by the district and a \$600 stipend per year/per mentee. This stipend is in addition to induction program stipend, in the event that an induction program mentor is assigned to the mentee who is also enrolled in a district approved/provided induction program.

MENTOR: District will provide release time no less than 1 hour per month for mentor to observe mentee.

MENTEE: District will provide release time no less than 1 hour per month for mentee to observe mentor or other content or area specialist.

MENTEE: The district will provide induction program to new teachers at no cost to new teacher.

MENTOR and MENTEE (when hire date of new teacher allows) will attend a district provided five-day training program prior to in-service week around Effective Instructional Practices and/or Best Practice, inclusive of learning focused conversations/supervision. The newly hired teacher and mentor will be paid at the summer curriculum rate for the training program.

	Does Not Meet the California Standards for the Teaching Profession (1)	Infrequently Meets the California Standards for the Teaching Profession (2)	Meets the California Standards for the Teaching Profession (3)	Consistently Exceeds the California Standards for the Teaching Profession (4)
STANDARD ONE: Engaging and Supporting All Students in Learning	<p>Teacher confines instruction to materials in text and uses a limited range of instructional strategies. Skills may be presented in isolation and with little opportunity to assess prior knowledge or apply new learning to problem solving situations.</p> <p>Other components of this standard are not evidenced.</p>	<p>Teacher occasionally builds on prior knowledge and life experiences in designing lessons. Multiple learning strategies may be used to engage students in thinking within and across subject areas. Students begin to apply few new skills to real life problems.</p>	<p>Teacher routinely assesses background knowledge and designs activities to build or correct inaccurate knowledge. Learning activities are selected from a wide range of experiences to meet the learning styles of groups within the class. Students are encouraged to ask critical questions and view problems from different perspectives when problem solving. Students take an active part in correcting and reviewing their work, with some opportunities for peer evaluation.</p>	<p>Teacher regularly designs motivational openings for lessons that engage, assess, and build background knowledge, and continues to assess throughout instruction. In addition to having well planned lessons, the teacher is able to take advantage of unexpected events or to modify the lesson effectively when students are not succeeding. Students pose relevant questions and consider other viewpoints when reflecting and evaluating content in meaningful contexts that encourage application of skills. A variety of activities are planned that help students make decisions about managing time, materials, and learning activities, leading toward autonomous learning.</p>
STANDARD TWO: Creating and Maintaining Effective Environment for Student Learning	<p>Teacher demonstrates limited skill in establishing and maintaining a safe learning environment in which all students are treated fairly.</p> <p>Other components of this standard are not evidenced.</p>	<p>Teacher maintains a safe learning environment. Teacher institutes some routines and procedures that promote interactions between teacher and students and among students.</p>	<p>Teacher creates a safe physical environment that engages all students and promotes the effective use of instructional time. Teacher institutes and models procedures and routines that are consistent and clearly understood by all. Classroom environment and climate promote social development and group responsibility as well as support student learning.</p>	<p>Teacher facilitates multiple learning opportunities in which students take responsibility for creating a safe environment that is conducive to learning. Teacher ensures constructive interaction, students working independently and collaboratively. Teacher maximizes effective use of time and resources.</p>
